

# Combining Faith and Medicine

Choctaw Sun photos by Dee Ann Campbell  
BUTLER -- Local residents were given the opportunity to take advantage of health screenings and also gain some basic necessities like shoes and clothing through a faith-based health initiative held at Graytronix, Inc. in Butler on Saturday. The Spirit of Luke Charitable Foundation brought in local and state volunteers to check blood pressures, and provide a variety of other services free of charge.

Spirit of Luke executive directors Mr. and Mrs. Henry Ford, pictured above, help a local resident as she exits the large van where health screenings were held.

Kids who attended the health fair at Graytronix were treated to a good time, with lots of games and activities, including a chance to show off their artistic talents with an assortment of crayons and coloring books.

Choctaw County native and valedictorian of the CCHS Class of 2003 Victoria Towner was on hand to check blood pressures. She is working here with local resident Linda Turner-Gaines. Towner is currently pursuing her medical degree at UAB.

## IS A HEALTH CAREER IN YOUR FUTURE?

The Bryan W. Whitfield Memorial Hospital Auxiliary hopes to help more area students achieve their goals. If you're a student planning to pursue a career in one of many health-care related fields, and you live in Marengo, Sumter, Hale, Choctaw, Perry, Greene or Clarke counties, you could be eligible for one of these scholarships.
