## Dahlberg leads seven UWA Tigers on All-GSC Teams

BIRMINGHAM, Ala. — The Gulf South Conference East Division Champions and 19th-ranked University of West Alabama baseball team had seven players named All-Gulf South Conference. Four players received First Team honors with three being named to the Second Team.

UWA (41-16, 14-4 GSC) placed three position players, three pitchers and a utility player on the lists, tying the school record set in 1996 and again in 2004.

The four first-teamers, Rob Dahlberg, Jake DeRoy, Todd Rea and Brandon Wheeler, who was one of four unanimous selections by the conferences head coaches, is the most since 2004.

Noel Baca, Clark Humber, and Charles Kelley represent the Tigers on the Second Team.

Six Tigers are making their first appearance on the all conference teams with Dahlberg making his second appearance, being named the 2006 GSC East Division Freshman of the Year and also a member of the All-GSC Second Team.

Dahlberg, a Gilbertown, Alabama native and former star at South Choctaw Academy, leads West Alabama in batting average (.392), slugging percentage (.561), on-base percentage (.447), hits (83), home runs (8), RBI (61) and total bases (119). In his 212 at-bats, also a team high, Dahlberg struck out just 17 times. He also led the Gulf South Conference in hits per game and was tied for second in total hits (84), sixth in batting average, and fourth in RBI.

Despite Dahlberg's efforts, however, West Alabama was not invited to the NCAA Division II regional tournament even after finishing runner-up in the GSC tournament behind West Florida.
